Honorable Dante B. Fascell
House of Representatives
Washington, D.C. 20515

Dear Mr. Fascell:

(b)(6)

Thank you for your note of 20 September 1977 forwarding a letter from [redacted] which requested information regarding certain tests he believes may have been performed on him.

The recently discovered files of Project MKULTRA do contain evidence that research involving human testing was conducted in the fields of behavior control using techniques involving hypnosis, drugs, etc. Our records indicate such testing on unwitting subjects ceased in 1964. Unfortunately, neither Project MKULTRA files nor any other files thus far located contain the names of persons who may have been used as subjects. Therefore, in our search of relevant files [redacted] name was not found.

(b)(6)

Admiral Turner has assured the Congress that the CIA will attempt to identify those persons who were the subjects of unwitting testing conducted under Project MKULTRA. To this end, the institutions where Project MKULTRA testing took place have been notified of their involvement with the Project. Admiral Turner has offered these institutions his full cooperation in helping them identify the persons who were test subjects. Please be assured I will inform you immediately if any [redacted] (b)(6) institution notifies CIA that it has identified as having been a Project MKULTRA test subject.

(b)(6) Per your request, I am returning the letter from [redacted] to you. We hope we have provided you with sufficient information to fully respond to your constituent. If we can be of any further help, please let us know.

Sincerely,

[redacted] (b)(3)

George L. Cary
